177/19	<p>Chairman’s Announcements</p> <p>Men’s Shed event held on 22nd was very successful despite the change in weather fortunes. A very good turn out and great support shown for the group. The ribbon cutting ceremony was performed by Cllr Gill Scott who thanked Allan Walker and his team for bringing the shed into reality. The toilet had also arrived and is plumbed in with electrics to be certified.</p>	
178/19	<p>Public session – This is an opportunity for members of the public to bring matters relating to items on the agenda to the attention of the committee</p> <p>Cllr Collings reported back following a drop-in session held by HDC where questions were raised regarding the Shapley Heath Garden Village. £150k has been received by HDC following a successful bid from the central Government’s Garden Communities program. Concerns have been raised as to why this fund was bid for after the new settlement was taken out of the HDC Local Plan. HDC confirm that they will still need a housing supply beyond 2025 and the fund will be used to research the viability of a garden community.</p> <p>Questions were asked by CCPC as to how much further budget is being committed to this research: Cllr Collings confirmed that £500k is to be made available to the joint CEOs for the first stage assessment.</p> <p>Would the research seek to understand the public dissatisfaction as a result of potentially creating a new settlement; And further is the viability of other solutions to housing demand being investigated beyond Shapley Heath: Cllr Collings confirmed that no other development options were being considered within the assessment.</p> <p>Cllr Collings agreed to ensure that these questions would be answered.</p> <p>Cllr Bennison reported on the anti-social behaviour concerns raised by residents to the rear of Avondale tennis club which has impacted on Crookham Park and that the tennis club is looking to install gates at the entrance to restrict parking out of hours. This may just have the effect of moving the problem elsewhere.</p> <p>Also, HCC having declared a climate emergency and are in the process of setting out its strategy to 2050 and there is a great desire by all to do something to improve the environment.</p> <p>Questions were raised regarding the recycling contract and what is being done to increase wider recycling. Cllr Bennison confirmed that principal authorities will be charged for contaminated recycling rubbish as they need to educate their public.</p>	
179/19	<p>Grant Applications</p> <p>To receive and consider approval of grant applications</p> <p>Budget for 2019/20 is £20,000 [excluding Basingstoke Canal Contribution] Balance remaining £16,900</p>

	<p>Please see grant requests from (1) Fleet Town Council Xmas Dinner £100 It was resolved to approve the grant application from Fleet Town Council & Churches Together for £100 Proposed GT, Seconded GSc, all in favour. (2) Crookham Sunshines Pre-School Screening to fence line for safeguarding £810 It was resolved to approve a grant application up to £1000 at the Clerks discretion to ensure product will be reliable, safe and have some longevity Proposed GT, Seconded MB, all in favour.</p>	<p>RFO Clerk</p>
180/19	<p>Suitable Alternative Green Space (SANG) To discuss and agree feedback as a stakeholder of the SANG at the upcoming Stakeholder meeting</p> <p>In general, CCPC will be seeking an update on progress with issues outstanding from previous meetings from all those involved in the management and ownership of the SANG. In addition:</p> <p>CCPC seek clarification of (Disability & Discrimination Act) DDA accessibility requirements of the SANG as per the S106 agreement? Is it possible to widen more access gates to cater for pushchairs onto SANG? Is there any proposal to install a gate at Tadpole Lane exit from SANG?</p> <p>In terms of permanent signage what are the plans for inclusion on the final boards? Can the stakeholders have some input into the content of the final boards? What is the timescale for the new and final boards?</p> <p>There is evidence of Ash die back on some trees on the SANG. Is the grounds maintenance team aware of this and what action is being taken? When was the last independent tree survey carried out?</p> <p>In terms of grazing the planned move onto the marsh field has not taken place, is this due to happen soon? In future will there be a tender process for the grazing (even if no charge to the cattle owners is incurred) and does the cattle owner take out public liability insurance?</p> <p>Padlocks to the pillboxes and time capsule have been damaged, broken off. Is it possible to refit with more robust padlocks?</p> <p>What are the plans for the boardwalks in the future to make them as safe as possible?</p> <p>It was resolved that the list of points/ questions as above will be raised at the stakeholder meeting on behalf of CCPC to be held 1st October. Proposed GT, Seconded MT, all in favour.</p>	<p>Clerk</p>

	<p>Water safety at Community Centre – awaiting results of most recent water sampling following works to disinfect TMV’s in taps and increased water temps through system with regular flushing of all taps taking place. Results received today indicate still low levels, not Sero 1 type of bacteria in men’s taps. Next course of action suggested in addition to the ongoing high temps and regular flushing is to carry out a disinfection of the system pipework in the toilet area. Will ask Plumbers to see what is required for this.</p> <p>PCSO visit – Following busy summer PCSO called in to explain they are very short staffed and have had a very busy summer with the problems in the area. No reports of issues close to Grant Drive. Clerk reported concerns from resident at Grange estate of fire setting to rear of his property which is actually in Fleet TC patch which he was aware of and was being investigated.</p> <p>Speed watch – Volunteers forms were completed and submitted to Police to be verified. Once this is complete training will be provided to the group.</p> <p>Litter Pick – Attendance was agreed at each location and collection arranged from each destination. The event will be advertised via social media again and weather will be monitored.</p> <p>Overflow car park – Clerk commenced audit of Centre car park usage since early summer but feels this will not give true picture. Potential solution to obtain true picture of usage including unmanned hours will be to investigate use of technology. Clerk to seek survey technology.</p>	<p style="text-align: center;">Clerk</p> <p style="text-align: center;">Clerk</p>
