Net Income/Expenditure	£ 235	£ 130,041	£ 120,354	£ 9,687	£ 9,452

Revenue budget
Income:
 £ 13,073 improved income is due to increased bookings at the community centre - specifically one dance school which started regular bookings after budget setting last year, plus income from ESSO Southampton to London Pipeline project
Expenditure:
 variance mainly due to:

- overspend on running costs of community centre partially offsets increased income
- overspend on pension costs

Projects:
 variance mainly due to pre-school paly surface offset by transfer from EMR see below

CHURCH CROOKHAM PARISH COUNCIL

- overspend on community plan project
- un-budgeted expenditure on replacement of pre-school play area surface

EMRS: variance due to movement transfer from EMR to cover pre-school play area surface.

The net position currently shows income > expenditure forecast of £9.6k which may improve depending on second half year costs incurred. Decisions re which projects any overspend may support will be finalised during the budget setting process.

S106 -Summary Totals 2019 – 2020	Annual Budget	Actual year to date	Forecast	Likely out-turn	Variance
Total income	£ 10,000	£4,530	£ 855,230	£ 859,760	£ 849,760
Expenditure	£ 62,505	£ 614,589	£ 43,271	£ 657,860	£ 595,355

S106 budget

Income:

£849,760 variance in income represents the S106 balance of developer monies due subject to delivery of S106 obligations

Expenditure: variance due to:

- £600,000 investment in CCLA LAPF (treated as an expenditure item and recorded on the asset register) offset against corresponding EMR movement

The reserves reconciliation shows a negative reserve to more easily track the investment made.

- Underspend on Refuse collection/Litter picking - budget allowed for potential contract with Hart DC for litter picking - not put in place yet. Litter picking at all parish sites is accounted for under precept expenditure but the cost of additional weekly emptying of bins at the community centre due to litter picking at all sites is paid from S106 funds.

Projects: variance due in part to:

- current overspend on allotment toilet project which should be covered by a S106 grant from Hart DC for £4,350

EMRs:

variance due to

	<p>Movements to reflect the S106 monies due offset partially by the negative EMR to represent the CCLA investment. Also, small movement from Public Art to cover cost of weathervane (£750 moved from EMR in 2018 to cover payment on account)</p> <p>The net position shows S106 expenditure for the year to be on budget, however it is likely to be underspent due to non-delivery of additional land and facilities. The required S106 spend will be reviewed as part of the budget setting process.</p> <p>Reserves: Budgeted movements have now been made. The S106 £100k contribution has been moved from the appropriate EMRs. A negative £600k EMR allows tracking of the CCLA LAPF investment.</p> <p>Draft budget will be received at the January Full Council meeting.</p> <p>The Quarter 2 summary of the accounts is accepted as a true record Proposed GT, Seconded DM, all in favour.</p>	
209/19	<p>To decide the S106 amount to be redeposited on a 12-month fixed term deposit which matures on 6th November at Lloyds</p> <p>Amount deposited: £ 202,250 Interest due: £ 2,022.50 Due on maturity: £ 204,272.50 Decision was deferred by F&P to seek clarification of anticipated developer funds expected before year end.</p> <p>Discussions have commenced with Taylor Wimpey to transfer additional land and facilities i.e. balance of area J (allotments), area D (compound area and along Gurkha path) and 4 of remaining 7 LAPs. Depending on progress Area G and Area C may also be transferred. Balance that would be due from developer of total balance owing £849,860 prior to year-end is therefore likely to be: £260,206 or £323,425 if includes areas G and C £849,860</p> <p>Due to the uncertainty of the timing of the receipt of the S106 monies it was agreed to retain £60,000 the anticipated requirement to fund next year's S106 expenditure from the returning deposit.</p> <p>Interest rate available 1.05% 12-month business bond as at 22nd October (previous rate achieved 0.9%)</p> <p>It was resolved to redeposit £144,272.50 in a 12-month business bond with Lloyds bank.
