Using this website

This website is managed by Church Crookham Parish Council. We want as many people as possible to be able to use it and, to this end, we are committed to making this website accessible and fully compliant, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No.2) Accessibility Regulations 2018.

Technical information about this website

We continue to make the website text as simple as possible to understand. However, AbilityNet has advice on making your device easier to use if you have a disability.

Accessibility on this website

We have made available a Free Website Accessibility Widget that is powered by a dedicated accessibility server. This software allows us to improve compliance with the Web Content Accessibility Guidelines (WCAG 2.1 AA standard).

Enabling the Accessibility Menu

Our website accessibility menu can be enabled by clicking the accessibility menu icon.

This appears on the right-hand side at the top of each page. After triggering the accessibility menu, please wait a moment for the accessibility menu to load in its entirety.

If you need information on this website in a different format like accessible PDF, large print, easy read, audio recording or braille please let us know. We will consider your request and get back to you as soon as we can.

Disclaimer

We continue our efforts to constantly improve the accessibility of this website and services. Despite our efforts to make all pages and content on this website fully accessible, some content may not be fully adapted to the strictest accessibility standards.

Here for You

We continue to look for ways to improve the accessibility of this website. If you are experiencing difficulty with any content or require assistance with any part of our site, please contact clerk@churchcrookham.org.uk or call 01252 626793.

Issues with PDFs and other documents

Some of our PDFs are essential to providing our services. The accessibility regulations don't require us to fix PDFs or other documents published before 23 September 2018 if they are not essential to providing our services. However, any new documents we publish will meet accessibility standards.

Testing this website

This website is currently under redesign and as part of this project will encompass regular tests to ensure that accessibility regulations are met wherever possible.

Enforcement procedure

The Equality and Human Rights Commission (EHRC) is responsible for enforcing the Public Sector Bodies (Websites and Mobile Applications) (No.2) Accessibility Regulations (the 'accessibility regulations'). If you're not happy with how we respond to your complaint you may contact: the Equality Advisory and Support Service (EASS).
