## Full Council Meeting

	<p>(c) Hart Voluntary Action – In conversation with CEO of HVA they would welcome funds to support access to vaccination centres for Church Crookham residents that have no means of getting to them. There is a local vaccination centre now operating at the Memorial hall that may require support for volunteer expenses, better signage to access the site and poss. a ramp to gain easier access to the building currently difficult for wheelchair users. It was agreed to put aside the normal application process to support this urgent need through a £500 grant.</p> <p><b>It was resolved to grant £500 to Calls &amp; Visits and £500 to Hart Voluntary Action Proposed GSa, Seconded MT, all in favour.</b></p>	
<p>Z009/21</p>	<p><b>Crookham Park site update</b> To receive an update on progress of site issues and agree any actions</p> <p><b>Allamand LEAP</b> – Taylor Wimpey had sent revised plan to Hart DC to confirm any requirement for additional planning permission. Hart DC consider that the <i>proposed changes to the LEAP are perfectly acceptable and raise no planning issues, however, they require TW to formally apply again to vary the wording of condition 16 of planning permission 11/00001/MAJOR to substitute the new drawing/details for those approved under application 15/01999/CON. This can be done through a Variation of Condition application. Hart DC will not need to carry out any formal notification process and the application will be dealt with as quickly as possible to ensure you receive the appropriate letter in a timely manner so as not to cause any further delay.</i></p> <p><b>Trim Trails</b> – In order to progress the above TW have asked CCPC to consider possible locations for the outstanding trim trails which they will then seek to cover under the same notification to planning. CCPC agreed that the open space adjacent to the allotment car park would be a suitable location and this suggestion will be put forward to TW.</p> <p>Devines – TW are still waiting for the section agreements to be put in place. Once these are done then they will return to site to complete the necessary works. This is thought to be done within the next month. Clerk will contact TW to raise possible clash of works at the junction of Gurkha Rd to liaise between Kestrel and Devines.</p>	
<p>Z010/21</p>	<p><b>Food Outlet Trading Policy</b> To agree a policy for accepting requests from additional food outlets and terms of trading for existing traders</p> <p>There are currently 3 food outlet traders with licence to trade from the Community Centre overflow car park.</p> <p>Requests received from 2 wood fired pizza have been refused at this time based on email consensus in December to wait until impact of 3<sup>rd</sup> trader Mexicalli is understood due to start in February.</p> <p><b>It was resolved to review any further trading requests on a first come, first served basis from June 2021 with the following trading rules as follows and subject to amendment by CCPC as appropriate:</b></p>

### **Budget 2021/2022**

To receive the budget as recommended by the Finance & Policy Committee at its meeting held 11<sup>th</sup> January 2021 and decide whether to approve or make any final amendments prior to its approval.

The budget document was reviewed. It was agreed that it is sensible to be prudent in relation to budgeting income from facilities due to the ongoing pandemic situation. Recovery of “normal” business may not be until the latter part of the 2021/22 financial year.

### **It was resolved to approve the budget 2021/22**

**Total income £313,476 (including precept £219,233), Total expenditure excluding projects £283,476, Projects £11,000, Ear marked reserves expenditure of £19,000. Proposed GSa, Seconded BB, all in favour.**

Z014/21

### **Precept 2021/22**

To receive a proposal from the Finance & Policy Committee at its meeting held 11<sup>th</sup> January 2021 to keep at the same band D level (£53.80) as per prior year and to submit a request to Hart District Council for £219,233.85

2020/21 precept is £224,478 and the current tax base is 4172.45 giving a band D household precept of £53.80. The precept has remained at £53.80 since 2010.

# CHURCH CROOKHAM PARISH COUNCIL

## Full Council Meeting

	<p>Hart DC has proposed a tax base of 4074.96 for 21/22 which is decrease of 97.49 from 20/21, if the band D remained the same at 53.80 the precept would be £219,233.85.</p> <p>It was noted that Councillors had met with Hart DC to discuss and understand the decrease. Once the exceptional adjustments have been discounted in the last two years it was agreed that the growth in tax base between 2019 and 2021 seems reasonable. Also that it was difficult to justify an increase in precept due to healthy level of reserves held.</p> <p><b>It was resolved to approve a Precept with a tax base of 4074.96 for 21/22 total £219,233.85.</b>  <b>Proposed GSa, Seconded BB, all in favour.</b></p>	
Z015/21	<p><b>Bank Mandates</b> To approve amendments to bank mandates.</p> <p><b>It was resolved to approve the following amendments to the bank mandates following personnel change on the council:</b>  <b>Removal of Gill T from ALL mandates</b>  <b>Addition of Bruce B to all mandates</b>  <b>Addition of John F to all mandates EXCEPT CCLA</b>  <b>Signatories for:</b></p> <ul style="list-style-type: none"> <li>• <b>Unity Trust Bank, HSBC Bank plc, Lloyds Bank plc &amp; Nationwide Building Society – Richard Martin, Gareth Saunders, Cristina Harris, Debbie Moss, Bruce Bulgin, John Ford</b></li> <li>• <b>CCLA - Richard Martin, Gareth Saunders, Debbie Moss, Bruce Bulgin,</b></li> </ul> <p><b>Proposed GSa, Seconded MT, all in favour.</b></p>	
Z016/21	<p><b>S106 deposits</b> To receive a proposal as recommended by the Finance &amp; Policy Committee at its meeting held 11<sup>th</sup> January 2021.</p> <p>F&amp;P decision based on the information below:  S106 funds received in Dec 2020 £436,971.  Athletics track improvements funds received £225,000.</p> <p>Z132/20 Decision made in September Full Council to deposit £225K athletics track funds in 95-day saver with Lloyds Bank &amp; £436,971 to be deposited with Santander.</p> <p>Z193/20 Decision made at November Full Council to deposit £436,971 in 95-day saver with Lloyds Bank, as Santander no longer taking new clients. Deposit was actioned in December, then 95-days' notice was given by Lloyds Bank as the parish councils turnover was not sufficient to make it eligible for this type of account.</p> <p>F&amp;P resolutions to be agreed by Full Council.  It was resolved to leave the balance of the £225,000 Athletics track money in the Unity Bank deposit account.  <b>Proposed GSa, seconded DM all in favour.</b></p>	

# CHURCH CROOKHAM PARISH COUNCIL

## Full Council Meeting

	<p>It was resolved to invest the £436,971 S106 funds in a 3-year fixed term deposit with Lloyds Bank on maturity of the 95-day saver in March 2021. Proposed GSa, seconded RM all in favour.</p> <p><b>It was resolved to approve the S106 deposit and Athletics track monies as per the F&amp;P recommendation made on 11<sup>th</sup> January 2021.</b> <b>Proposed GSa, Seconded MT, all in favour.</b></p>	
2017/21	<p><b>Key Annual Meeting Dates</b> To agree dates for key 2021 meetings and consider ideas for Annual Parish Meeting topic</p> <p>Meeting dates for February and March have been agreed.</p> <p>Annual Parish Meeting – having sounded out local Clerks it seems that most will be attempting to host an online APM this year. CCPC could use this opportunity to summarise the past 2 years with a focus on looking ahead to projects aiming to be delivered. Cllr CH requested that community groups be invited to report on activities in the past 2 years and the meeting would follow a Powerpoint presentation format.</p> <p>It was agreed to follow the meeting format of 2<sup>nd</sup> and 4<sup>th</sup> Monday of month and to advertise the virtual APM via the newsletter.</p>	
2018/21	<p><b>IT Support</b> To approve a change to the IT support contract</p> <p>During 2020 the Server based service provided by Disconsulting for backup of all CCPC data has come under strain in terms of amount of data storage, resilience of the ageing technology and a general move to cloud based working environment reducing the need for a server-based service.</p> <p>A quote has been received to move fully to a cloud-based solution and work has been going on to ensure that the cloud-based service will provide the same if not greater level of security. This has been discussed at length with Disconsulting to understand that CCPC needs will be met and both Clerk and Facilities Officer are happy to proceed.</p> <p><b>A report summarised the monthly price increase from £231 to £272.</b> <b>In addition, there will be a one-off fee of £1200 to move the data and the setup work required of Intune and Azure to ensure robust encryption policies are put in place, assignment of licences etc.</b> <b>It was resolved to approve the new IT support contract.</b> <b>Proposed MT, Seconded JF, all in favour.</b></p>	
2019/21	<p><b>Staff holiday</b> To approve carry over of unused staff holiday</p> <p>Some members of staff have unused holiday and have asked about potential carry-over to next year. The current contracts of employment do not cover this issue.</p>	

# CHURCH CROOKHAM PARISH COUNCIL

## Full Council Meeting

	<p>In sounding out other local Clerks the majority already (pre-Covid) allowed for up to 1 week carry over, some in addition to allowing this carry over suggesting it be taken over next 2 holiday years. Any carry-over will be in line with government guidance provided under the Covid-19 pandemic.</p> <p>Leave that is carried over is subject to the usual rules around payment in lieu i.e. an employer must facilitate the worker taking their annual leave and not replace it with a financial payment. If, however an individual leaves their job or is dismissed and has carried over paid holiday because of coronavirus, any untaken paid holiday can and must be added to their final pay.</p> <p>Members of staff looking to carry over max of 1 week all happy to take over next 2 years if workload prevents taking in addition to new year entitlement of 2021/22. Clerk happy with this approach but would seek a review of this aspect to the contracts at the Staff committee in October 2021.</p> <p><b>It was resolved to allow 1 week (part time equiv) annual leave carry over from current year 2020/21 (taken over 2 years if required) and to amend the contracts of employment for office based staff to permit up to 1 week of annual leave to be carried over subject to agreement by the Clerk from contract year 2021/22. Proposed MT, Seconded CH, all in favour.</b></p>	
2020/21	<p><b>Quotes</b> To receive and approve quotes for works as required</p> <p>For approval following delegated authority from Clerk to proceed:</p> <ul style="list-style-type: none"> <li>a. £225 Repair to height barrier at Peter Driver – Primalscape</li> <li>b. £395 Electrical lighting repairs PD and CC and facilitate switch for CCTV at Peter Driver</li> </ul> <p>For consideration</p> <ul style="list-style-type: none"> <li>(i) 5 yearly electrical safety inspection now due at Community Centre for all electric panels and outlets – both contractors have carried out work for CCPC and consider appointing based on availability. Z022/21	<p><b>To receive Clerks Report</b></p> <p>Website progress is being made with old data due to be transferred to provide the minimum statutory information required and therefore enable the new website to be launched. Some pages will continue to be under development and released when ready but news and local community updates will be made more functional to residents. The Planning portal is already embedded in the new look website. Farnborough 6<sup>th</sup> Form media students are unable to provide a service to create media input for the website in this academic year due to the Covid situation, but we hope to be able to work with the next cohort of students.</p> <p>Sensory Garden also progresses with a project scope summarised to invite hard landscaping contractors to assist in the design as per the agreed project wish list.</p> <p>Aiming to include project updates within the newsletter due to be issued in March.</p> <p>Councillors voiced thanks to all staff members for their hard work during the past year in difficult circumstances.</p>
